A HIGH SCHOOL IS PEOPLE

A high school is more than just buildings and classrooms. The individuals working, striving, studying and enjoying give the school its unique and fascinating qualities. Both students and faculty compose the personality of St. Vincent High School.

This yearbook attempts to portray this many-faceted personality and present the past year's memorable highlights.

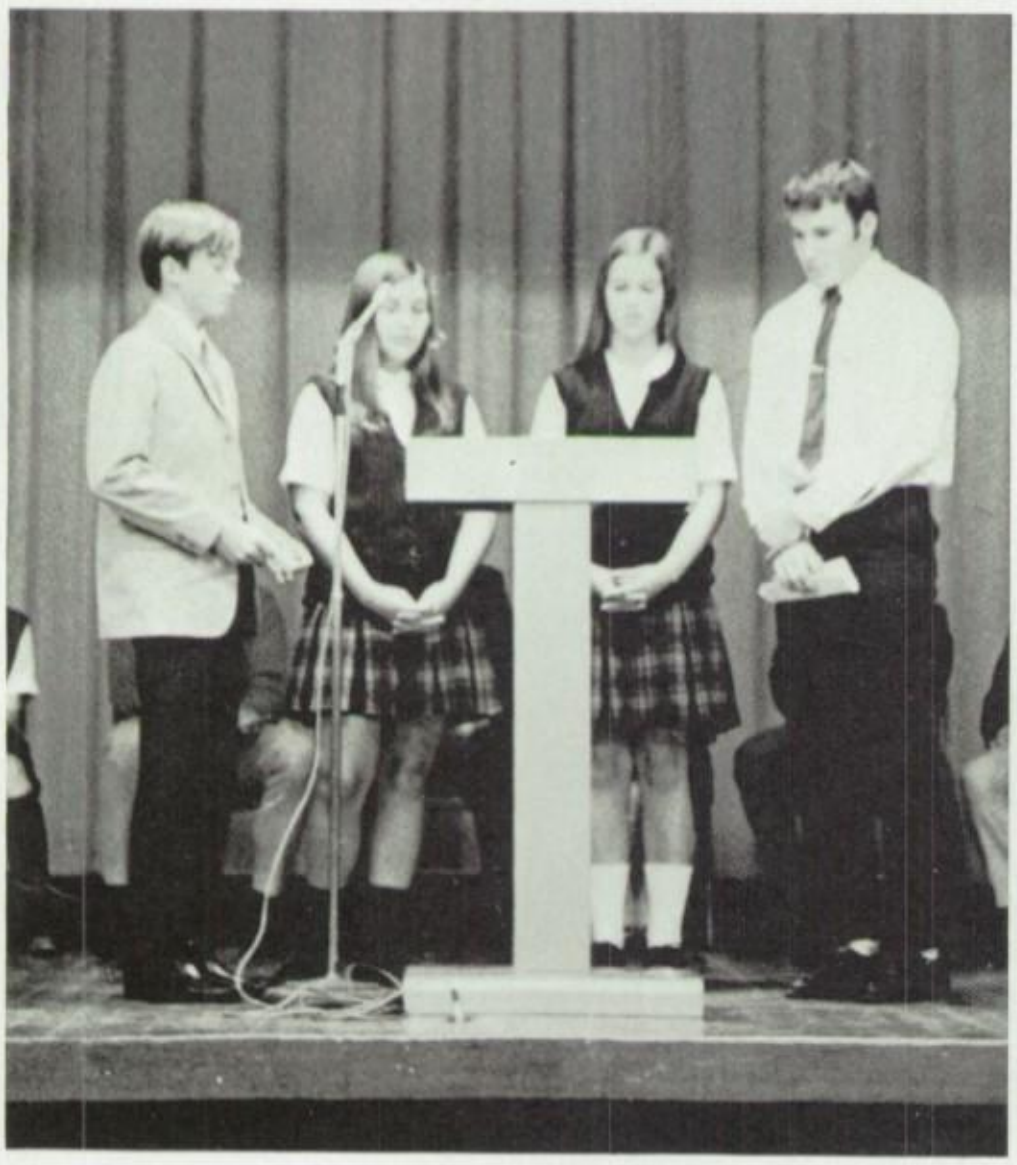
ACTIVITIES

WELCOME

The new year started off with a mass concelebrated by Monsignor Tillman and Fathers Carolan, Canny, and Williams. The Mass signified the official beginning of the 1969-70 school year.

The Seniors turned out in force to welcome the Freshman class to S.V. A half day off from school was filled by a barbecue, games of keep-a-way, and of course, Freshman initiation–a water balloon fight from which no one was safe, not even the teachers.

The National Honor Society and The California Scholarship Federation are a large part of S.V. and on October 16 the members of both were recognized and honored.



The incoming officers of S.A.C., classes, and organizations were introduced at a special assembly. They were duly installed after giving the pledge of their office.

The school year has not really begun until we have a candy sale. Mr. Gomez introduced us once again to delicious Gourmet Candy. The inter-class competition was won by the enthusiastic Freshmen.

HOMECOMING '69

Whisper Day began 1969's Homecoming Week. The object of the day was to see how many whisper buttons one could accumulate. Monday also started the rush to get the halls decorated in time for Tuesday's judging.

Tuesday was switch day. Boys became cheerleaders and song girls, while the girls did the football playing.

Slave Day was Wednesday. The J.V. and Varsity players plus song girls and cheerleaders were auctioned off to the highest bidder.

Thursday, Halloween, was costume day. Students came dressed in a strange but interesting manner. The afternoon rally was filled with games and awards.

Friday completed the week with a joint Bike Rally with Petaluma High at Walnut Park.

Captains?! What is the team like?

ROYALTY REIGNS

Saturday night's festivities began with a car parade, led by the three smiling Queen candidates, through downtown Petaluma to Durst Field. When they arrived, the J.V.s were hard at work against the Tomales Braves. Despite the loss of the J.V. game, the spirit was still high for the Varsity Contest. At half time, our lovely Queen was crowned—Donna Souza. After the game, there was a dance, during which our Queen and her attendants were led to their thrones. And so, as the clock struck midnight, another Homecoming Week ended.

P. H. S. PRESENTS

On November 21, the students of S. V. were treated to a performance by the choir and bands of Petaluma High School. This assembly was just one of many planned for the benefit of the students.

"THE ELIXIR OF LOVE"

On November 24, many students boarded buses to see "The Elixir of Love", an Italian Opera by Donizetti presented at the San Francisco War Memorial Opera House. This year's opera was sung in English.

"CHRISTMAS IN SONG"

On December 17, the Glee Club presented the annual Christmas Cantata. This year a different note was added by the French and Spanish clubs, singing Christmas carols from their respective countries. The freshman class sang old Christmas favorites, and the Speech Club presented a series of Tableaux.

A GALA AFFAIR

The Senior class sponsored the annual Christmas Formal on December 22. It was held in the multi-use room and admission was free. A 28-foot Christmas tree in the center of the gym caught everyone's attention. Music was provided by Annie's Band.

SV'RS TRAVEL TO SNOW COUNTRY

On the weekend of January 16,17, and 18, 53 members of the S.V. student body boarded buses for Squaw Valley for fun in the snow. The travelers, with four chaparones, stayed at Ludlow's Resort. The weary students arrived back at school at 8 o'clock on Sunday night. The weekend was filled with ice skating, skiing, tobogganing, and snowball fights.

I can play my own cards, thank you.

SWEETHEART DANCE

On February 14, Valentine's Day, the annual Basketball Sweetheart Dance was held. The high point of the evening was the crowning of our Sweetheart Queen, Dorthy Bianchini. The senior Princesses were Kathy Matteri and Kathy Brown. Junior attendant was Bernie Dawson; Sophomore attendant, Mary Ann Bacher; and Freshman attendant, Lisa Foster.

FACULTY TURNOVER

After three years of hard and dedicated work, Mrs. Maria White, the girls' athletic director, left school to have a baby. On Friday, January 30, a shower was held in the gym at lunch time. Money had been collected from all the students and she was presented with a crisp $100 bill. The girls' new coach is Miss Jacobson, a Sonoma State graduate.

Sister Mary Gene, head of the music department, also left S.V. to become chairman of the B.V.M. Fine Arts Commission. Her replacement is Sister Theresa.

Is it real?!!!

WORKING FOR DOUGH (NUTS)

On February 6, S.V. students really got down to the nitty gritty, to do their share in the city-wide beautification project. With rakes, hoes, and other implements of destruction, they attacked the school grounds with full force, and spent the afternoon working.

MARDI GRAS

The annual fund raising Mardi Gras occurred on March 10. Each of the classes had its own booth. As usual, the money made during this activity went to help the missions.

"ARSENIC AND OLD LACE"

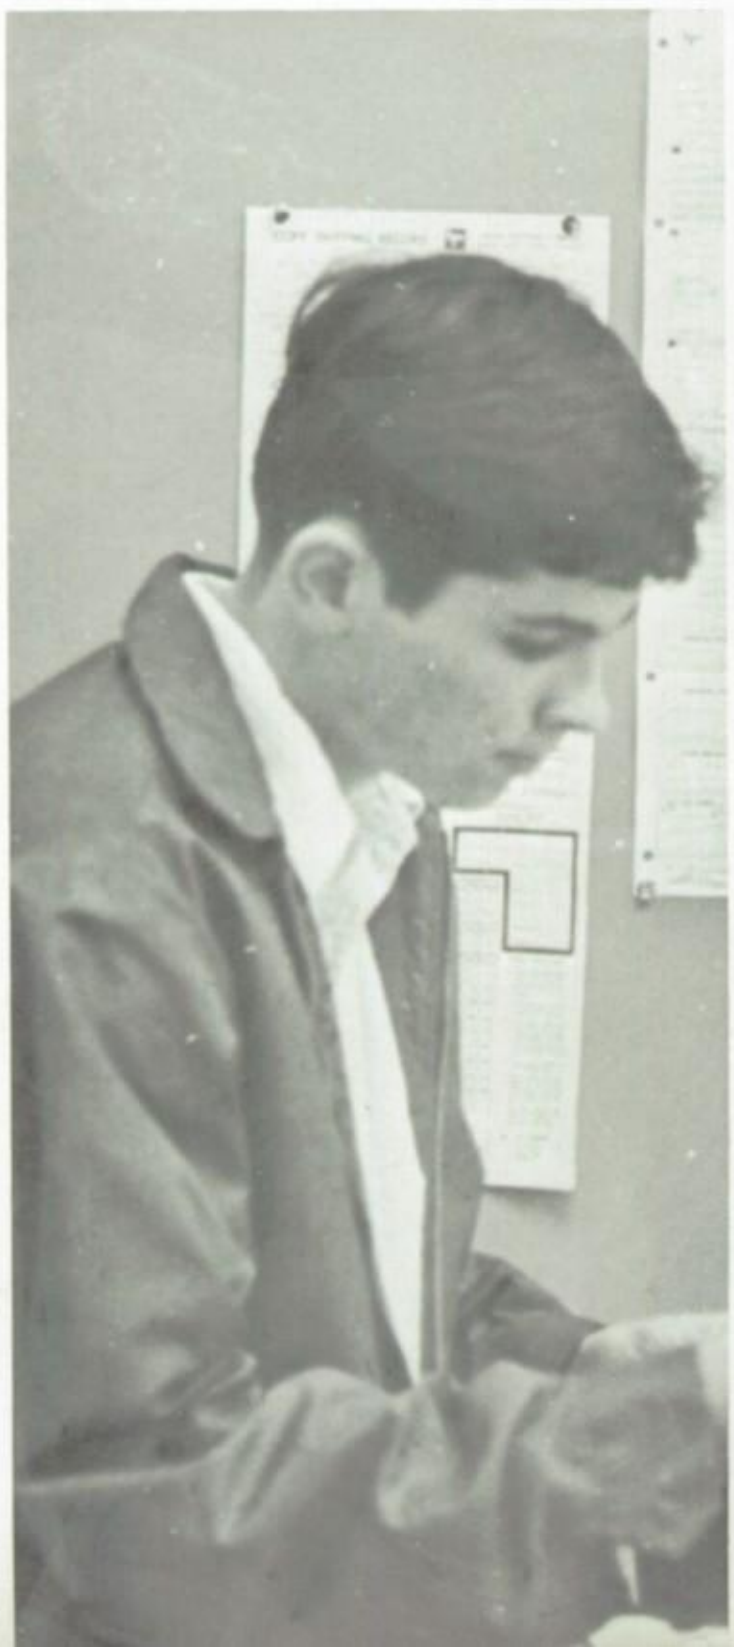
During the month of May something new was added to S.V. The production of the well-known play, ARSENIC AND OLD LACE, added a dramatic flair to school routine. A drama class!!

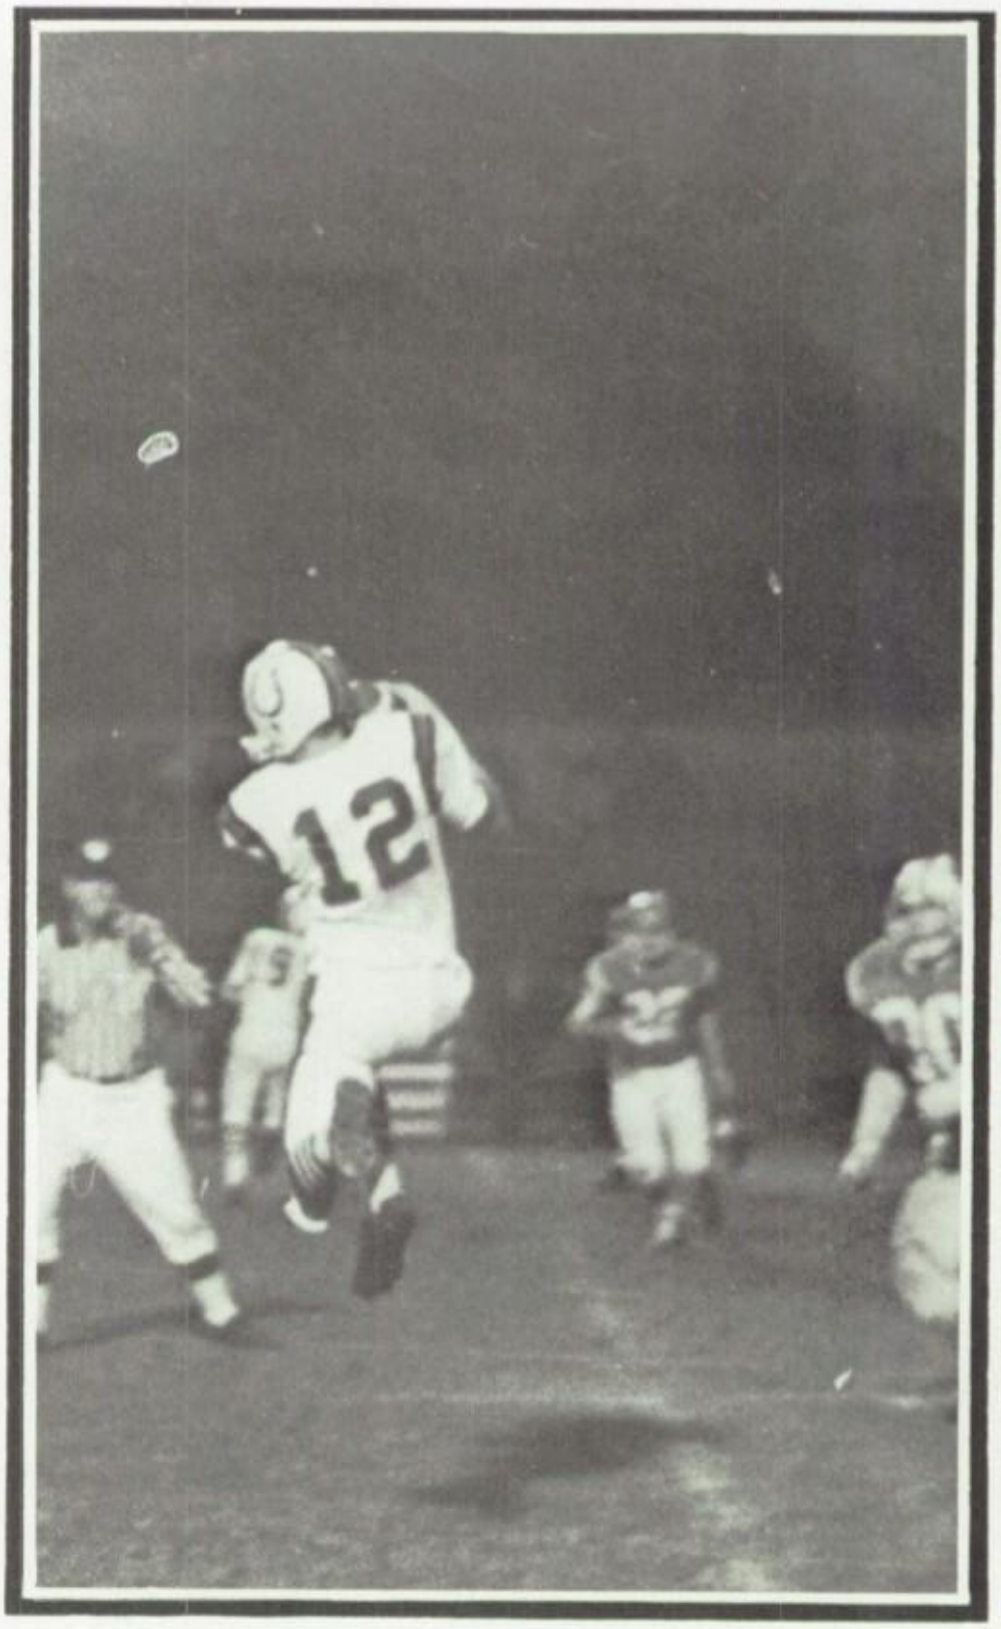
Students read for the parts and the casting was done by Mrs. Schmidt, speech and drama teacher. The proceeds went to the drama department.

And so another year of school has ended, the last year of school for some, the beginning of the end of school for others. Though we look forward eagerly to graduation each year, looking back we remember

The good times
as well as the bad,
The laughter
as well as the tears.

Who can tell you if your best friend won't?





SPORTS

VARSITY FOOTBALL

On the 13th of Sept., the Mustangs opened their football season with a 28-7 victory over Justin of Napa. Unfortunately, victory was not always so easy for the team this year. The next three weekends brought consecutive losses for the Mustangs: to Calistoga, 14-12; Point Arena, one of the best teams we faced this year, 26-8; and to St. Helena, 12-8. The next game, the Mustang's rallied and defeated Willits 12-2.

The St. Vincent team traveled to Eureka and ended up with a 14-6 defeat. The homecoming contest started out on the road to victory, but ended in the heartbreaking loss to Tomales 42-21. The following game with Menlo was a narrow defeat, but the Mustangs finished the season with a Mendocino victory.

The Junior Varsity team had a very disappointing season. Although the team wasn't the biggest, 1969 provided good experience for future Varsity candidates.

The J.V.'s were held scoreless for the first four games, but broke loose against Willits and narrowly lost 22-20.

After a two week bye, the J.V.'s were matched up against Tomales and lost 38-0. In their final game, with Mendocino, they finally put it all together and clobbered the Cardinals 13-6.

Thanks to Steve Serafini, Dave LaCasse, Dan Benedetti, Mike Freitas, and Em Nunes for the time and effort they donated to the Junior Varsity in 1969.

How much was that ref PAID???

Coach Ed Major

Usually when a team changes leagues it takes at least a year, sometimes two, for them to adapt to the styles of their new opponents and begin a winning season.

The Mustangs never were regarded as a "usual" team and this year they proved it. In their first year in NCL II the Mustangs established a 10-2 league record, had the Most Valuable Player in the league, and took second place in a close title race.

The Mustangs led by superstar Steve Johnson, NCL II MVP, just plain outhustled almost every team. Along with Steve, Jerry Griffin and Mark Thompson controlled the boards most of the time even against opponents several inches taller. Tom O'Malley, guard, was a constant threat all year and Jeff Foster, a hot shooting forward, completed the team that spelled TROUBLE for all opponents.

The players comprising the remainder of the Mustang Varsity were: Mark Ficco, Tim Petersen, Tim Vondrak, Jerry White, Marty Wagner, and Bernie Lowell.

Up goes another two points.

TRACK

Coach Steve Vieth looks on with hope.

For the first time in three years there were enough boys interested in track to warrant two teams, Varsity and Junior Varsity.

The Varsity, though small in number, was filled with experienced, sprinters and distance runners and field men. So experienced that all but three members of last years champion J.V. team were returning.

Returning are Bernie Lowell, Larry Hilligoss, Dan Ercolini, Tim Peterson, Dan Liparini, and Rich Reynolds.

Although the J.V.'s are inexperienced, Coach Steve Vieth has hoped for a good year with Dave Serafini, Bob Loughran, Brad Davison, Joe Cannon, Ron Soares and Steve Wade.

Speed: I hope you don't get any faster, or you might even beat Cuneo.

Stan

Steve,
You're a funny man, even if Sr. Norma doesn't think so. You were great in TRACK.

BASEBALL

Coach Major looks over his Mighty Mustangs

It's early March, and among the squishing of slightly soggy cleats, the crack of wood on horsehide rings loud and clear across the wet diamond on the first day of spring baseball practice.

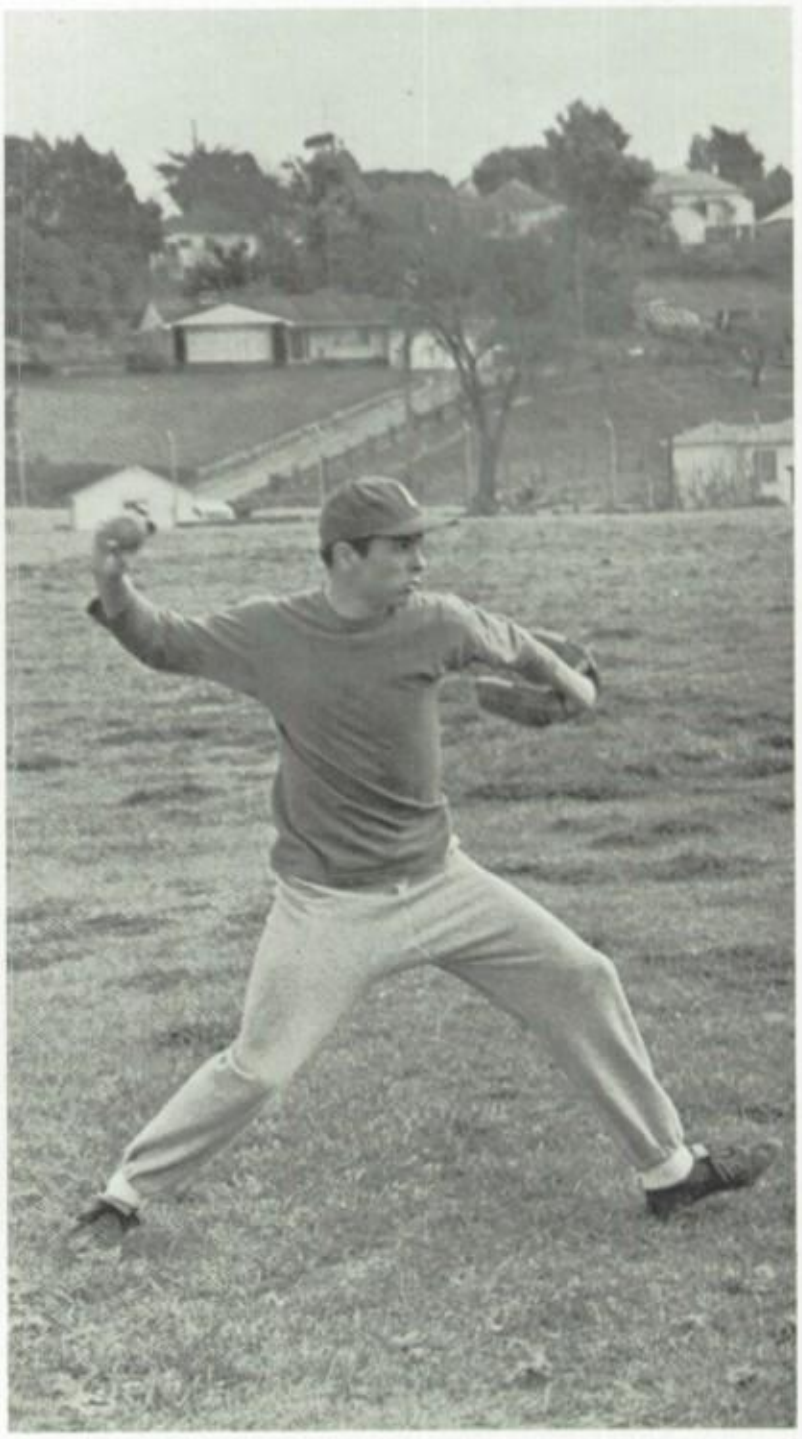
With six returning members of last year's team and a wealth of talent from the junior varsity, Coach Ed Major looks forward to another fine season.

His lineup includes varsity returnees: Chris Knieriem, a Senior; and Juniors, Tim Vondrak, Tom Basch, Chris Bacher, Jeff Foster and Jerry White. Among the probables from the JV's are Mike Nowicki, Dave Curtis, Herm Benedetti, and Jeff McCaffrey. Junior Keith Lewis will also join the ranks.

A new member of the coaching staff, Mr. John Adamo, will lead the Junior Varsity squad through a successful season.

Coach John Adamo says, "Sure we'll win."

Mike makes the TWO-HAND grab.



The sure delivery!

Chris takes a mighty cut.

SPIRIT MOVERS

Through sun, rain, and wind these girls led the students in cheers. If they couldn't use the arcade, to cheer the Mustangs on to Victory, the rallies were held in the gym. No matter what obstacles, these girls overcame them to put forth spirit for the teams.

To all the girls, a heartfelt congratulations! for all your time and effort for our teams and school.

ORGANIZATIONS

S. A. C.

During 1969-1970 the Student Activity Council, under Steve Johnson, President, Sue Weeks, Vice President, Jim Dechene, Treasurer, and Delia Kasch, Secretary, had quite a successful year. The Thanksgiving and Christmas food drives were sponsored again this year by the S.A.C. With Gary Ramatici heading the committee for the drives, each homeroom provided a wonderful Christmas gift for poor families which included presents for the children. At the bi-weekly meetings, permission is granted for activities, after administrative approval and available dates are reserved. Along with other activities another Gourmet Chocolate sale was held to raise money for new lab stools.

TO THE STUDENTS

It matters nothing to me how things are, but the ways things ought to be. High school can be either an experience that shows you the saving graces of mankind, the light shining through from the other person, or it can be a rut into which an individual incessantly falls. There are people I don't know, and others I don't know well enough. Believe me, there is order to the universe, there is purpose to the ridiculous tasks that come to us every day. Enjoy yourselves. It's not worth the trouble of worry, but never lose sight of your goals. You've got to work hard if you are to achieve anything lasting. So many times in my life, I've looked around and noticed how beautiful everything is. These have been times of true happiness. Find your own way to do it. It's hard but it has to be found. My honor has been to have been chosen the SAC President of the school and my pride lies in the fact that I am no more equal than any other of the students.

Steve Johnson

ONLOOKER

The 1970 ONLOOKER, with Bob Campbell and Sue Weeks, Editors-in-Chief, had a new look. Several new columns appeared along with literary and movie reviews. A new tone of involvement in the needs of the student body characterized the paper this year.

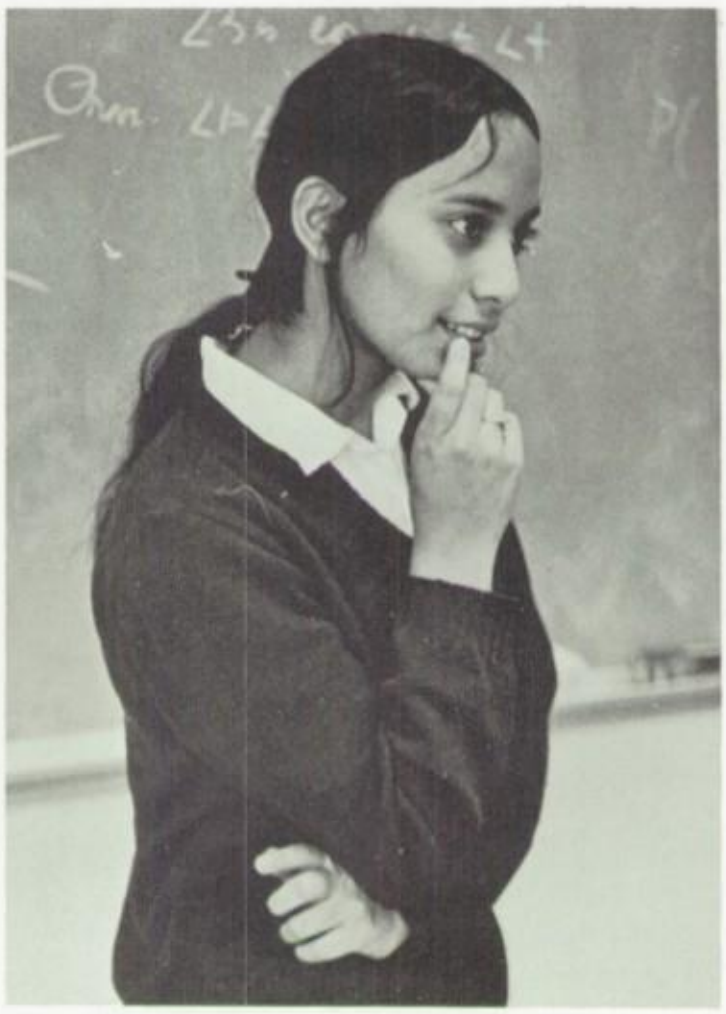
SPEECH AND DEBATE

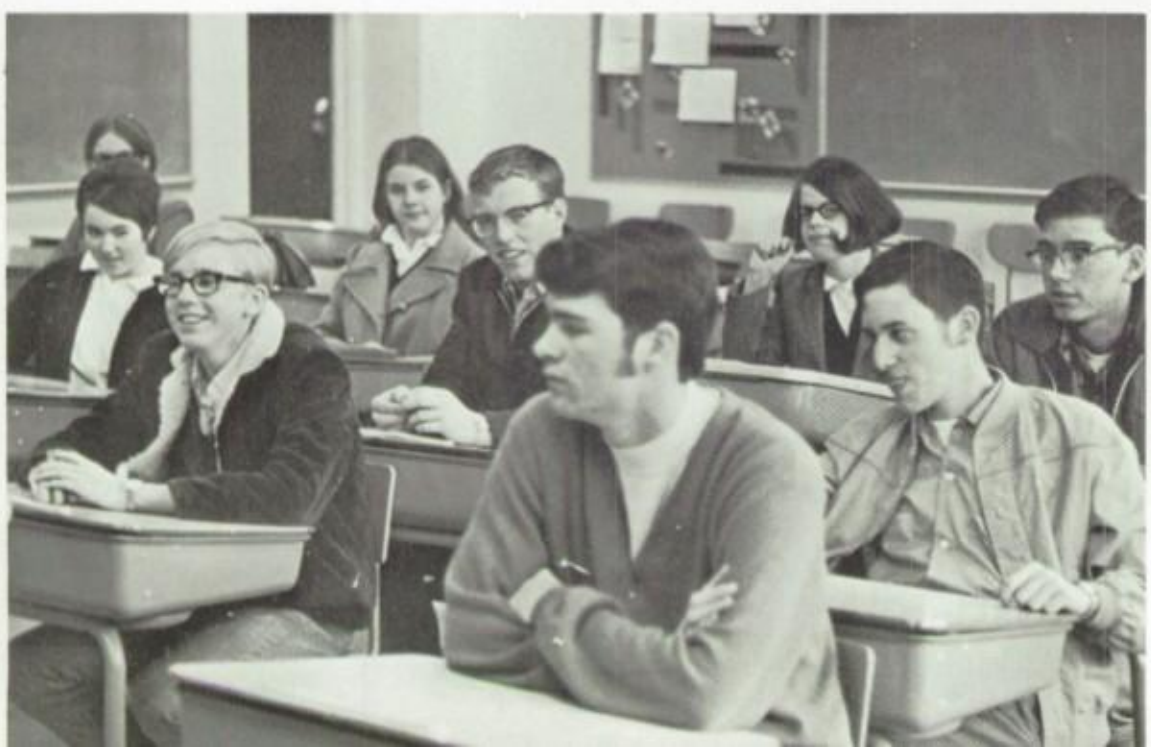
The main purpose of the Speech Club is to help students learn how to effectively express their ideas. The main reward for being a member of the Speech Club lies in meeting people with different viewpoints than those taken by the people in our community. The Speech Club can be said to be a sort of Junior Cultural Exchange league.

Moderated by Mr. Gonzalez and Mrs. Schmidt the club is one of the largest organizations in SVHS and has in the past brought notoriety to our halls.

On October 4 a Student Congress was held on our campus.

Mrs. Schmidt- Adviser





NATIONAL HONOR SOCIETY

Each year after the first semester honor roll has been posted, the faculty chooses students to be inducted into the National Honor Society. In the springtime a ceremony is held for the purpose of installing new National Honor Society students. The qualifying students are rated in four categories; leadership, scholarship, service, and character. In accordance with nation-wide standards, 15% of the Seniors are accepted, 10% of the Juniors, and 5% of the Sophomores who are provisional members. Our principal, Sister St. Julian, was moderator. Late in the first quarter the first installation ceremony was held.

TEACHERS

C. C. D. Teachers- Nora Wall, Anne Molteni, Dorothy Bianchini, Bernie Dawson, Delia Kasch.

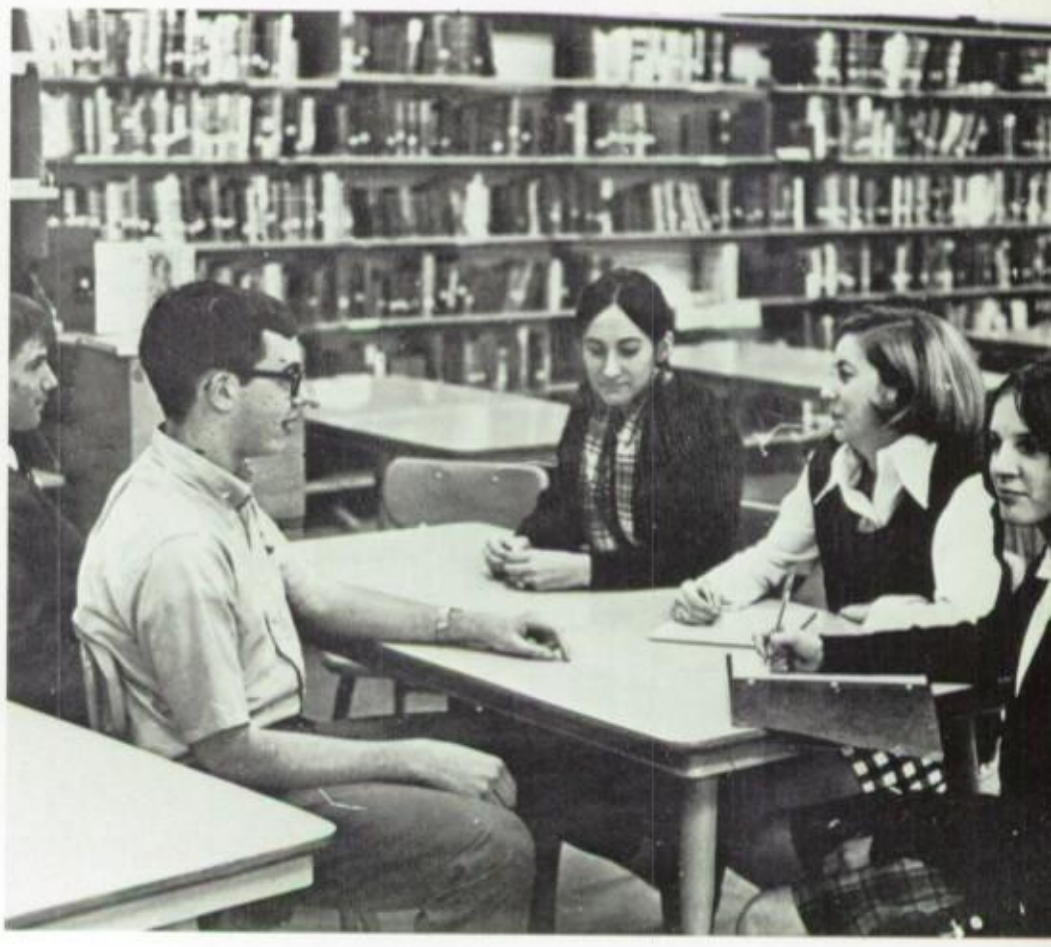
Teaching elementary school catechism this year are Bernie Dawson, Nora Wall, Dorothy Bianchini, Anne Molteni, and Delia Kasch. A great deal of work and preparation is involved as well as a lot of patience, showing that the other side of the desk doesn't have it much easier.

Each teacher must attend a special teacher training course bi-weekly. These sessions headed by Sister Barbara S.S.A. enable the teachers to prepare their lessons and exchange ideas with each other.

I'll go to kindergarten and I'll study and I'll play all their games and I'll try to get along with everybody BUT I WON'T LEARN LATIN

LATIN CLUB

This Year the Latin Club was under the supervision of Sister Norma and club officers from both the Latin I and II classes. At their meeting, planning and ideas were given in regard to educational trips for the club. Members spent two separate days on field trips to the De Young Museum and the Oakland Museum. The students felt that by attending such activities their Latin appreciation would grow. A film based on Italy and its history was also seen. At their monthly meeting the members discussed many exciting and colorful ideas for their banquet which was held on February 21, 1970.



FRENCH CLUBS

There are two separate French Clubs this year. The first is the second year French class whose officers are, Bob Campbell, Kathy Lake, Chris Knieriem, and Lisa Rivamonte. The other consists of the French I class, and their officers are, Joan Dolcini, Bridget O'Boyle, Liz Lake, and Pierre Robert. A joint trip to the Palace of the Legion of Honor to see a showing of Rembrandt was one of the French field trip highlights. On the same trip they also enjoyed an interesting talk on the French historical role in painting by a lovely guide at the Palace. Various food sales were held by both clubs. At Christmas members of the clubs sang at rest homes.

GLEE CLUB

Under the direction of Sister Mary Gene, the Glee Club performed and successfully completed several activities during the course of the year. At Christmas they visited several rest homes and hospitals to entertain the elders of our community. Also during Christmas their annual cantata was held and enjoyed by both the students of the elementary school and high school and all who attended. Some of their songs were broadcast over KTOB, our local radio station, for the enjoyment of the public. Over all, their year was an especially successful one.

Sister Gene- Moderator

SERVICE CLUB

The Service Club provides for the completion of many unrealized jobs around the campus. Most of their jobs, however are dealing with the electronic equipment of the school. These include record players, tape recorders, and various audio visual materials. Their services add a certain interest to the daily classes and are appreciated by all. The Service Club is under the direction of Sister Jane.

G. A. A.

The Girls Athletic Association performed especially well this year in all competitive sports in which they participated. Their volleyball results turned out to be the best, with four wins and two losses; excellent considering the tough teams they played.

At the end of January, members signed up to visit the ice skating rink in Santa Rosa for a different activity. The ski trip, which was jointly organized by the Block Society and G.A.A. was also a big success.

Our coach and GAA Moderator, Mrs. White, left us and was replaced at the semester by Miss Linda Jacobson. Then, as always during the spring semester, banquets were held for both fathers and mothers of the girls in GAA.

Rally commissioners - Dorothy, Mary Ann, Patty

RALLY COMMISSION

The Rally Commission this year did extremely well promoting spirit among the student body, which of course is their job. Led by Dorothy Bianchini, Senior Rally Commissioner, and the lower class commissioners Mary Ann Bihn and Patty Vyenielo the rallies were a success. They even got the Freshmen yelling their hearts out by Homecoming! Rallies weren't their only jobs. The girls were in charge of getting posters for the halls and decorating the arcade. Their enthusiasm really kept the "spirit moving"

BLOCK SOCIETY

The Block Society, directed by Mr. Gonzalez, is made up of St. Vincent athletes who have earned a letter through outstanding performance in sports. This year the presidency was in the hands of Marty Wagner who, as president, helped organize the annual activities usually sponsored by the Block Society. Along with dances, the Block Society joined with GAA to plan a homecoming week that will never be forgotten. Then again in February the two organizations held the Basketball Sweetheart Dance. The Ski Trip, another activity planned by GAA and the Block Society, was a smashing success again this year.

HANDY-HANDS

The Secretarial Club under the direction of Sister Mary Rose this year continued to provide special help for members of the faculty As before, the work consisted mostly of typing master copies, letters, report cards, and any other papers the teachers wanted typed. This volunteer work is done on the girls' own time and is a wonderful help for those faculty members who are short of spare time. The girls helped the teachers to meet their heavy schedules.

LIBRARY CLUB

Under the supervision of Sister Mary Lenore, interested Sophomore, Junior, and Senior girls have donated spare time during the week to aid the students in their use of the Library. Among their duties are taking care of library passes, checking books, cataloguing and circulating books, and arranging books and magazines on the shelves. Sister Lenore has modified the old Library system to a more functional one which meets the demands of our growing school.

A TIME FOR REMEMBERING

As the school year draws to a close, it is best to remember the past as a step toward the future. For the end of a school year truly is a beginning.

The Vincentian staff wishes to thank many individuals and groups for their patience and cooperation.

In particular:
